

Sun City Nature Club New Wooden Name badge

The Nature Club has worked with Micky Hartz in the Woodworkers Club to supply wooden name badges made on a laser. She has the design and will make them with a clip (like that on your resident ID badge) or the club can have one made with a magnet.

The cost is \$8.00 with a clip or \$9.00 with a magnet.

Please complete the information below and bring cash or check to the next monthly meeting, or you can email for payment arrangements-
