

Special Instructions

USGA, WGA Local and Sun City Local Rules apply.

All three days of play are single tee starts beginning at 8:00 am. Check in at the pro shop before play.

Scores will be posted in GHIN as competition scores.

If a player is uncertain of a rule and Kari is unavailable to consult with, the player should announce to her group she will play a 2nd ball. See Kari after play to determine which ball/score is correct.

Scoring

The Club Champion is the overall gross winner of the three-day total score. Gross and Net flight winners are awarded (gross over net).

One member of each foursome must enter gross scores into Golf Genius. Another member is to keep a scorecard for verification. Verify scores in Golf Genius upon completion of play.
