

## The Total Eclipse, Georgetown

Monday, April 8. 1PM “

“I was born during an eclipse. I believe very much in astrology. If you were born on an eclipse, it indicates your destiny is chaotic.” -- Gloria Vanderbilt

A total eclipse of the sun, one of nature’s great events will take place on Monday, April 8<sup>th</sup> and Georgetown will be right under its path for a ringside view!

WHERE: At the Northpoint Sales office (Hanging Star and Silver Spur) There is a large open space lawn next to the sales office. The new amenity center next to the sales office will have restrooms.

When: The eclipse will start at 12:18 PM, totality will occur at 1:37PM and last for 3 minutes and 6 seconds and by 2:58PM it will be over. Because spaces for viewing will be first come, first served and open to anyone, we should arrive early and place chairs etc., to mark our area. Exact time TBD.

COST: Admission is free!

Parking: Any available spot in the parking lot.

Bonus: Those who sign up will have pizza for lunch! (BYOB for drinks).

**Very Important!** – It is HIGHLY recommended that those wishing to photograph or just observe the eclipse take the eclipse class workshop on March 15, 1-3PM at the activities center. Learn the proper techniques and safety protocols to have a safe and successful viewing.
