

SUN CITY TEXAS PICKLEBALL CLUB

COURT RESERVATION POLICIES

- Courts can be reserved online starting at 9:00 p.m. up to 3 days in advance.
- The system will restrict you to making **one court reservation per day**, and each daily reservation will be 1.5 hour in duration. However, you may play in more than one reservation per day as well as in open play.
- Reservations for singles play are allowed, and only require two players.
- Play is to stop promptly at 5 minutes before your reservation ends, and players need to exit the court area immediately. The next reservation group should not enter the court area until the previous group has exited the court.
- We ask that all cancellations be made at least 2 hours prior to the scheduled court reservation time to allow another member to reserve the court and avoid having empty courts that could be used by another member.
- If both members of the same household are using the same email address, you will need to obtain another email address and create a separate user account for each household member.
