

## Smart Controller Rebate

### Rebate Instructions:

1. Complete the form below.
2. Upload or scan and attach your receipt of purchase
3. Turn completed form and receipt in to Customer Care. You may do this one of three ways:
  - a. Submit this form and receipt online.
  - b. Print and turn in this form and receipt in person at: 300-1 Industrial Blvd., Georgetown
  - c. By mail to: Georgetown Utility Services  
Attn: Conservation Unit  
300-1 Industrial Blvd  
Georgetown, TX 78627

The credit will be applied to the customer's water utility account.

Rebates are limited to \$600 per water utility account, per Fiscal Year (October 1st - September 30th).

Customer will be subject to possible site inspection upon utility request.

For questions regarding the rebate program, please email

Conservationservices@georgetown.org or call (512) 930-2578.

### Application Procedures:

1. Smart Controller Controller Manufacturer and Model required below.
2. Customer completes and signs rebate form.
3. Customer submits **rebate form and ITEMIZED receipt** for processing via online submission, in-person, or USPS.

### Guidelines for program

1. Rebate covers 100% of parts and labor cost up to \$150.
2. A local sensing device must be present on system to qualify for rebate. If a local sensor is not present at the time of controller replacement, one must be installed with new controller. Off-site weather stations do not qualify as a local sensing device.
3. The new smart controller must be selected from the Water Sense labelled list:  
<https://www.epa.gov/watersense/product-search> (<https://www.epa.gov/watersense/product-search>)
4. Georgetown Utility Systems reserves the right to perform system inspection and verification.

**Rebate forms without a receipt will NOT be processed.**

**Please fill out rebate form completely. Incomplete forms will not be processed.**

**KEEP A COPY OF RECEIPT AND REBATE FORM FOR YOUR RECORDS.**
