

SUN CITY LIVE! POLICY FOR SHOW & AUDITIONS

SCL! Chartered Club Introduction: SCL Show performances include singing, dancing, funny skits, and other “special talents.” Only residents can audition for SCL Shows (2 per year, 2 performances each). Club membership is not required to participate in SCL Shows.

SCL! Membership is encouraged to receive general club email blasts and full website access.

1. A total of 26 Acts will be chosen from Auditions. Goal is to keep Show under 2 Hours. All auditions will be reviewed by an Audition Panel of 5 Judges. Auditioners having conflict may be approved for an individual audition involving a least two Judges.
2. Standard performance run time is 3 ½ mins maximum. All reasonable editing should be done to comply. A resource will be provided for shortening music. A longer performance time may be approved, not to exceed 4 minutes.

Additional time of 15 secs is provided to enter & exit stage, plus applause.

3. All performers are limited to (two) 2 times on stage. An additional minor/cameo performance may be approved.
4. At the time of auditioning, if selected you are committing to attend 3 rehearsals: Tech + Full Rehearsal (separate Full Rehearsal for Dance Clubs), Run-Of-Show, and Dress Rehearsal, **plus both SCL Show performances.** See sctexas.com SCL website for dates.

**** Exceptions to above are solely at Director and/or Production Manager discretion ****

5. All performances should be auditioned in full and will be timed.
6. Only one solo song per singer will be allowed.
7. All comedy skits need to be in writing, good draft acceptable. The purpose is to assist auditioner and quantify skit duration. Script submittal to Judges is not required.
8. On Audition Form, singers and comedy skit performers should indicate (if known): Mic type: soft mic & battery pack, handheld, or standing mic.
9. On Audition Form, all auditioners should indicate (if known): Stage Props, Performance Costume Color, and Special Items e.g. Musical Instrument.
