

Blue Eyes Crying In The Rain, Willie Nelson

C G7 C
 In the twilight glow I see her. Blue eyes cryin' in the rain
 C G7 C
 As when we kissed good-bye and parted
 G7 C C7
 I knew we'd never meet again

F C G7
 Love is like a dying ember Only memories remain
 C G7 C
 Through the ages I'll remember Blue eyes crying in the rain

G7 C
 Now my hair has turned to silver
 G7 C
 All my life I've loved in vain
 G7 C G7 C C7
 I can see her star in heaven. Blue eyes Crying in the rain

F
 Someday when we meet up yonder
 C G7
 We'll stroll hand in hand again
 C
 In the land that knows no parting

G7 C G7 C C7
 Blue eyes crying in the rain Blue eyes crying in the rain
