

Boot Scootin' Boogie, Brooks & Dunn

[D] Out in the country past the [D] city limit sign
Well, there's a [D] honky tonk near the [D] county line
The [G] joint starts jumpin' every[G] night when the sun goes[D] down [D]
They got [A7] whiskey women [A7] music and smoke.
It's [A7] where all the cowboy [A7] folk go to boot scootin' [D] boogie. [D]

I've [D] got a good job, I work hard [D] for my money
When it's [D] quittin' time, I [D] hit the door runnin'
I [G] fire up my pickup truck[D] and let the horses [D] run. [D]
I go [A7] flyin' down that highway [A7] to that hideaway
[A7] Stuck out in the woods [A7] to do the boot scootin' [D] boogie. [D]

- Chorus -

Yeah - [G] heel toe do-si-do, [G] come on baby let's go [D] boot scootin' [D]
Whoa [G] cadillac black jack [G] couples meetin' out back gonna [D] boogie[D]

The [D] bartender asks [D] Son, what'll it be?
I want a [D] shot at that redhead yonder [D] looking at me.
The[G] dance floors hoppin' and it's [G] hotter than the fourth of [D] July[D]
I see out [A7] laws, in-laws, [A7] crooks and straights
[A7] All out makin' it shake [A7] Doin' the boot scootin' [D] boogie[D]

Yeah - [G] heel toe do-si-do, [G] come on baby let's go [D] boot scootin' [D]
Whoa [G] cadillac black jack [G] couples meetin' out back gonna [D] boogie[D]
