# Born to be Wild, Steppenwolf

[D] [D] [D] [D]

[D] Get your motor runnin'
[D] Head out on the highway
[D] Lookin' for adventure
[D] And whatever comes our way

[C] Yeah [G] darlin' gonna [D] make it happen
[C] Take the [G] world in a [D] love embrace
[C] Fire all [G] of your [D] guns at once and
[C] Explode into [G] space [D]

[D] I like smoke and lightning
[D] Heavy metal thunder
[D] Racin' with the wind
[D] And the feelin' that I'm under

[C] Yeah [G] darlin' gonna [D] make it happen
[C] Take the [G] world in a [D] love embrace
[C] Fire all [G] of your [D] guns at once and
[C] Explode into [G] space [D]

Like a [D] true nature's child
We were [C] born, born to be wild
We can [G] climb so high
I [C] never want to [D] die

[D] Born to be [C] wi [G] iild [D] [C] [G]
