PLAY BORN TO LOSE AGAIN

Ronnie Milsap

(C) Pardon me I'm just another **(G7)** lonely fool
And I know the band is tired it's half past **(C)** two
But would you play one last re-**(C7)**-quest for an old **(F)** friend
After **(G7)** Sweet Memories play Born To **(C)** Lose again

After Sweet Memories would you play **(G7)** Born To Lose again
I'm **(F)** here most every **(G7)** night until the **(C)** music ends
I know you know my story I **(F)** hear it now and then
So after **(G7)** Sweet Memories play Born To **(C)** Lose again

(C) I know the waitress here she seats me **(G7)** near the band
She brings me scotch and soda and her eyes **(C)** understand
Your hard day's night is ending but **(C7)** mine will soon be-**(F)**-gin
So after **(G7)** Sweet Memories play Born To **(C)** Lose again

After Sweet Memories would you play **(G7)** Born To Lose again
I'm **(F)** here most every **(G7)** night until the **(C)** music ends
I know you know my story I **(F)** hear it now and then
So after **(G7)** Sweet Memories play Born To **(C)** Lose again
So after **(G7)** Sweet Memories play Born To **(C)** Lose again **(G)** **(C)**
