

Switching between Chords....play it a bunch of times and your fingers will learn where to land.

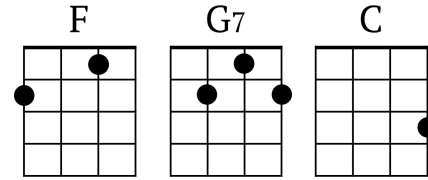

F / G7 / F / G7

anchor 1st finger, pivot 2nd & 3rd

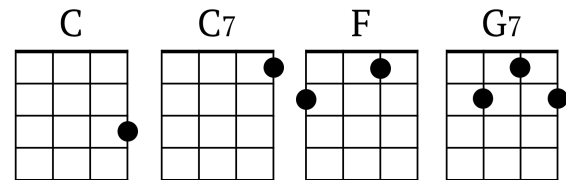

F / G7 / C / F / G7 / C

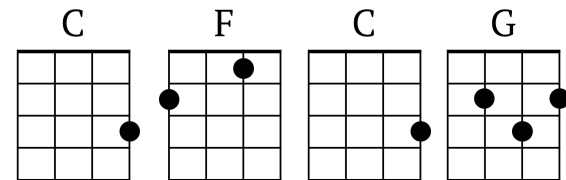

F to G7 anchor 1st finger, pivot others

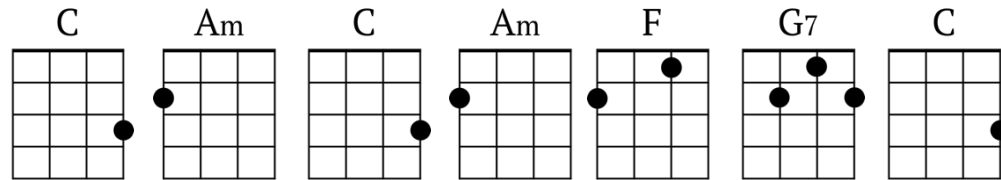

C / C7 / F / G7 slide C to C7

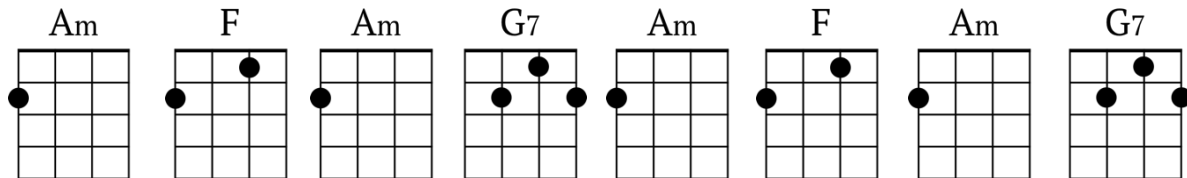

C / F / C / G shows up lot, worth practicing

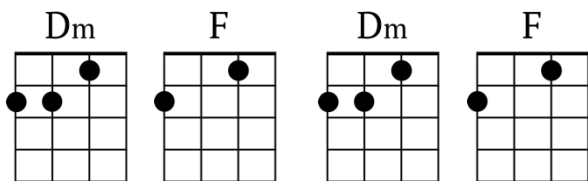

C / Am / C / Am / F / G7 / C

Am / F / Am / F / Am / G7 / Am / F / Am / G7 notice how your fingers start to know where to go

Dm / F / Dm / F / Dm / F 4th finger just lifts then drops again

G / C / G / D7 / G you've got it on G to C...now go from G to D7, 2 fingers jump one notch in unison
