

Follow the Sun, Xavier Rudd

[Intro] **G C G**

G

Follow, follow the sun

C

And which way the wind blows

G

When this day is done

G

Breathe, breathe in the air

C

Set your intentions

G

Dream with care

Am

C

G

Tomorrow is a new day for everyone

Am

C

G

Brand new moon, brand new sun

G

So follow, follow the sun

C

The direction of the birds

G

The direction of love

G

Breathe, breathe in the air

C

Cherish this moment

G

Cherish this breath

Am

C

G

Tomorrow is a new day for everyone

Am

C

G

Brand new moon, brand new sun

[Bridge]

F

C

G

When you feel life coming down on you

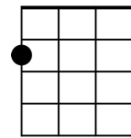

F

C

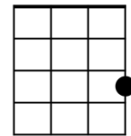

G

Like a heavy weight

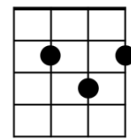

Am

C

G

F C G

When you feel this crazy society

F C G

Adding to the strain

F C G

Take a stroll to the nearest waters

F C G

And remember your place

F C G F C G

Many moons have risen and fallen long, long before you came

C

So which way is the wind blowin'

G

And what does your heart say?

G

So follow, follow the sun

C

And which way the wind blows

G

When this day is done
