Monster Mash - C

By Bobby "Boris" Pickett

```
 C
I was working in the lab late one night
         Am
When my eyes beheld an eerie sight
           F
 My monster, from its slab, began to rise
          G
 And suddenly to my surprise
```

```
                     C
CHORUS:      He did the Mash, he did the Monster Mash
                         Am
              The Monster Mash, it was a graveyard smash
                     F
             He did the Mash, it caught on a flash
                     G
             He did the Mash, he did the Monster Mash
```

From my laboratory in the castle east
To the master bedroom, where the vampires feast
The ghouls all came from their humble abodes
To get a jolt from my electrodes

CHORUS: They did the Mash, they did the Monster Mash
             The Monster Mash, it was a graveyard smash
             They did the Mash, it caught on in a flash
             They did the Mash, they did the Monster Mash

```
                  F
            The zombies were having fun; and a shoop
             G
            Wa-ooh;  The party had just begun ; and a shoop
                 F
            Wa-ooh;  The guests included Wolfman; and a shoop
            G
            ooh.  Dracula, and his son
```

The scene was rocking, all were digging the sound
Igor on chains, backed by his baying hounds
The Coffin Bangers were about to arrive
With their vocal group, The Crypt Keeper Five

                                                    C
<u>CHORUS:</u>   They played the Mash, they played the Monster Mash
                                            Am
                          The Monster Mash, it was a graveyard smash
                                      F
                          They played the Mash, it caught on in a flash
                                                G
                          They played the Mash, they played the Monster Mash

   C
Out from his coffin Drac's voice did ring.
   Am
Seems he was troubled by just one thing.
      F
He opened the lid and shook his fist, and said:
    G
"Whatever happened to myTransylvania twist?"

<u>CHORUS:</u>   It's now the Mash, it's now the Monster Mash
                          The Monster Mash, and it's a graveyard smash
                          It's now the Mash, it's caught on in a flash
                          It's now the Mash, it's now the Monster Mash

         C
 Now everything is cool, Drac's a part of the band
      Am
 My Monster Mash is the hit of the land
      F
 For you, the living, this Mash was meant, too
           G
When you get to my door, tell them Boris sent you

<u>CHORUS:</u>   And you can Mash, and you can Monster Mash
                          The Monster Mash, and do my graveyard smash
                          Then you can Mash, you'll catch on in a flash
                          Then you can Mash, then you can Monster Mash
