

Snow Globe Christmas

[F] [G7] [C/]

Moss covered [C] trees out in the [D] blue
You're missing [F] me, [G7] I'm missing [C] you [C/]
Sugarplums [C] dance and reindeer [D] too
I'll go to [F] sleep [G7] and dream of [C] you [C7]
And when the [F] snowflakes fall on the [C] Douglas Fir
It's [D7] like a snow globe Christmas
And we're [G7/] living in a perfect world of
[C] trees and [D] harmony
I'm there with [F] you [G7]
You're here with [C] me [C/]

[C] [C] [D] [D] [F] [G7] [C] [C7]

And when the [F] snowflakes fall on the [C] Douglas Fir
It's [D7] like a snow globe Christmas
And we're [G7/] living in a perfect world of
[C] trees and [D] harmony
I'm there with [F] you [G7]
You're here with [C] me
Together [F] we [G7] will always [C] be
