Definitions: Capitalized terms used in these Rules have the definitions prescribed to those terms in the Third Amended and Restated Declaration of Covenants, Conditions and Restrictions for Sun City Texas, including any amendments thereto, or are otherwise defined herein.

I. Introduction

These Rules for **SUN CITY TEXAS COMMUNITY ASSOCIATION, INC.** (the “Community Association”) are established by the Community Association’s Board of Directors (the “Board”) under authority granted in the Declaration and the Community Association’s Bylaws. These Rules are designed to ensure that the Community Association serves the best interests of the greatest number of Members/Occupants. More particularly, these Rules establish general requirements for Member/Occupant conduct and communication (Section III), create uniform procedures for the issuance of activity cards (Section IV), and set forth uniform restrictions for the use of Common Area generally (Section V), Common Area facilities (Section VI), preserves, parks and other Common Area open space (Section VII), and the Golf Courses (Section VIII). The Board may amend these Rules and Regulations from time to time.

The Rules apply to, and are enforced equally against, all Members and other Occupants, family members, guests and invitees. While Members and other Occupants, along with their family members and guests, are entitled to enjoy the Community Association’s facilities and other Common Areas, they should use common sense and be courteous and respectful of others when doing so.

Sun City Texas is an age-restricted community. Community Association facilities are meant primarily for the enjoyment of Members of the Community Association and other Occupants. Guests or visitors may be accommodated only when such accommodation does not infringe upon the convenience or right of enjoyment of Members and other Occupants. Further, while every effort is made to provide comfortable use of the Community Association facilities by all Members and other Occupants and their guests, the Community Association’s facilities are not intended to serve the general public and therefore will not always have similar specifications of those found in public accommodations. While the Community Association will attempt to accommodate Members and other Occupants with special needs, it reserves the right to charge the cost of providing the special accommodation to the requesting individual.

II. Authority; Rules and Use Restrictions; Enforcement

The Board is authorized to make and enforce these Rules under the Declaration and the Community Association’s Bylaws. This authority includes the ability to regulate the use of Common Areas (and related facilities), to establish administrative procedures for the Community Association, and to amend the Use Restrictions attached as Exhibit “C” to the Declaration. In general, these Rules relate to the use of Common Areas (and related facilities) and the administrative procedures of the Community Association, while the Use Restrictions relate to the use of Lots, making a conflict between these Rules and the Use Restrictions unlikely. Nevertheless, to the extent that any Rule contained herein conflicts with one or more of the Use

Restrictions, the Rule shall control. In the event of any conflict between these Rules and the other Governing Documents (except the Use Restrictions), the provision in the other Governing Document(s) shall control. These Rules are binding upon all Members/Occupants, and their family members, guests and invitees.

The Declaration provides the Community Association the means to ensure compliance with these Rules (and other Governing Documents), and specifically establishes the following enforcement remedies in the event of a violation, which may be exercised individually or cumulatively:

- A. The right to suspend a Member's voting rights;
- B. The right to levy reasonable monetary fines;
- C. The authority to suspend a Member's/Occupant's right to use any of the Community Association's recreational facilities; and
- D. The authority to suspend a Member's/Occupant's right to serve as an officer of a chartered club.

The Board and/or the Covenants Committee may assess fines and adopt a fine schedule for any violation of these Rules or the other Governing Documents.

The Executive Director and his designee(s), including Community Association staff, are responsible for enforcing these Rules, and shall inform Members/Occupants, family members, guests and invitees of any violation of the Rules and, when necessary, report such violations to the Community Standards Director, the Covenants Committee and/or the Board.

Members/Occupants may be requested to appear before the Covenants Committee and/or the Board to discuss an alleged infraction of these Rules or the other Governing Documents. In the event that a Member is charged by the Covenants Committee with responsibility for a violation, that Member has the right to appeal the decision of the Covenants Committee to the Board, as provided in the Bylaws and the Resident Appeals to the Board of Director Policy.

III. Members and Other Occupants; General Rules of Conduct and Communication

A. Members and Other Occupants

Pursuant to the Declaration, each owner of a Lot shall be a Member of the Community Association. If a Lot is owned by more than one person, all co-owners share the privileges of such membership, as provided in the Declaration.

In addition to the Members, the community of residents within Sun City Texas includes other Occupants (i.e., renters, non-Owner spouses, and other persons living in Sun City Texas who are not Owners of a Lot). Generally speaking, these other Occupants have a right to use Community Association Common Area properties and facilities and to

benefit from Community Association services. These other Occupants do not, however, have the right to vote on Community Association matters, serve as a director or committee member, or to exercise any of the other rights expressly reserved to the Members of the Community Association.

B. General Rules of Conduct

1. Members, Occupants, family members, guests and invitees shall conduct themselves so as not to jeopardize or interfere with rights and privileges of other Members, Occupants, family members, guests and invitees.
2. Members are responsible for the conduct of their Occupants, family members, guests and invitees, including the obligation to ensure that their conduct complies with these Rules and the other Governing Documents.
3. Members, Occupants, family members, guests and invitees shall refrain from loud, profane, indecent or abusive language.
4. Members, Occupants, family members, guests and invitees shall not harass or accost any other Persons while on the Properties.
5. Members, Occupants, family members, guests and invitees shall not compromise the safety of other Persons by their actions.
6. Members, Occupants, family members, guests and invitees shall refrain from physically abusing, or threatening physical abuse against, any other Person while on the Properties. Any such actions or threats shall be reported to local law enforcement authorities.
7. Members, Occupants, family members, guests and invitees shall be held responsible for any intentional or reckless damage to Community Association property.
8. Members, Occupants, family members, guests and invitees shall not reprimand or discipline any Community Association staff employee or any elected or appointed member of any Community Association governance committee, or otherwise interfere with the management of the Community Association. Complaints are to be directed to the Executive Director. The Executive Director will require that the complaint be submitted in writing before taking action on the complaint.
9. Members, Occupants, family members, guests and invitees shall obey all safety rules and shall stop unsafe activity when instructed by Community Association officials, staff, and employees or designated facility monitors.
10. Members, Occupants, family members, guests and invitees shall not interfere with management of the Community Association.

C. Communication

The following guidelines are applicable to oral and written communications within resident committees and with Community Association staff:

1. Everyone has a right to speak, to be heard, and to be treated with polite respect (according to applicable guidelines).
2. Everyone is expected to act in a manner conducive to a reasonable and rational exchange of ideas, facts and opinions.
3. Facts should be presented clearly and accurately, with appropriate credit given where due. Opinions should be identified as such.
4. Comments should be concise, relevant and free of derogatory intent.
5. Accusation, blame and defamation should be avoided.
6. Errors, misrepresentations, and omissions should be promptly acknowledged and politely corrected.

IV. Activity Cards

The issuance and use of an ID Badges is governed in the Declaration and this Rule. ID Badges may be issued to: (A) a Qualified Occupant of a Dwelling Unit (whether that Qualified Occupant be an Owner, renter or otherwise), (B) to guests of the Owner or Qualified Occupant, (C) to the Declarant for purposes of marketing Declarant-owned Lots; and (D) to Persons who have a valid contract to purchase a Lot.

ID Badges are issued at the Community Association's administrative office and entitle the holder to use the Community Association's fitness center and other Community Association facilities. Only individuals who possess and present valid ID Badges are entitled to use these facilities. The unauthorized use of ID Badges and the use of false information in obtaining activity cards is a violation of these Rules and may result in fines, loss of membership privileges, or other enforcement action. A person who issued an ID Badges is prohibited from charging guests or other persons for use of such ID Badges and/or the Community Association's facilities.

A. ID Badges Issued to a Qualified Occupant

1. General. The Owner of a Lot occupied by an Age-Qualified Occupant is entitled to receive up to two (2) complimentary ID Badges for use by Qualified Occupants, irrespective of whether the Qualified Occupant is the Owner, a renter or otherwise. An Owner who rents his or her Lot to a Qualified Occupant is deemed to have assigned the rights to these two (2) ID Badges to the renter. (Note that the right to

rent a Lot is restricted under the Declaration, including the Use Restrictions attached as Exhibit C to the Declaration) .

2. Who may be issued a complimentary ID Badge. The first of the two complimentary ID Badges must be issued to an Age-Qualified Occupant, which generally means an Occupant who is at least 55 years of age or older (see Declaration). The second complimentary ID Badge can be issued to any Person who is a Qualified Occupant (see Declaration), which generally includes another Age-Qualified Occupant or any Person who is 19 years of age or older occupying a Dwelling Unit with an Age-Qualified Occupant. Alternately, if only the Age-Qualified Occupant resides in the Dwelling Unit, the second complimentary ID Badge may be issued not to a particular Person but instead in the name of the “guest of” the Age-Qualified Occupant, and may be used by any guest of such Age-Qualified Occupant. The Community Association may require proof of occupancy or other information to ensure that an applicant for an ID Badge is a Qualified Occupant. Each ID Badge, other than one issued in the name of the “guest of” an Age-Qualified Occupant, shall include a photograph of the holder of the ID Badge. Complimentary ID Badges remain valid until surrendered, until the related right is suspended by the Board for failure to pay assessments or otherwise, or until the holder is no longer a Qualified Occupant, whichever occurs earlier.
3. No more than two complimentary ID Badges. The Community Association shall ensure that each Dwelling Unit is issued no more than two (2) complimentary ID Badges at any given point in time. In order for a new complimentary ID Badge to be issued, one of the previously-issued complimentary badges must be surrendered. The foregoing notwithstanding, the Community Association may issue replacement ID Badges if the original ID Badge has been lost, but may require the person making the request to sign a statement attesting to the fact that the ID Badge has in fact been lost and to pay a reasonable fee for the replacement.
4. Purchase of additional ID Badges. Additional ID Badges may be purchased at the Community Association administrative office for other Qualified Occupants. The rate for the additional ID Badges shall be set by the Board from time to time. The charge for an additional ID Badge is historically set at 50 percent of then-current annual Base Assessment charge pro-rated for the remainder of the then-current calendar year. A Person who is temporarily residing within a Dwelling Unit or who does not otherwise meet the definition of Qualified Occupant is not eligible to receive an additional ID Badge and is considered a guest. Purchased ID Badges are automatically renewed at the beginning of each calendar year, and a related charge levied against the Member’s account, unless and until the ID Badge is surrendered.
5. Additional restrictions on ID Badges issued to renters. A Qualified Occupant who is occupying the Dwelling Unit under a rental agreement may receive and use an ID Badge subject to the following additional requirements:

- a. The right to use an ID Badge must not have been suspended as a result of the Dwelling Unit Owner failing to pay assessments or otherwise and the renter must not be the subject of any disciplinary action suspending privileges.
- b. A signed copy of a valid lease agreement that complies with the requirements for leases under the Governing Documents must be delivered to the Community Association administrative office along with payment of the then-current fee charged for transferring ID Badge rights to a renter and a security deposit. If badges are not returned, the deposit will be forfeited. If the renter is issued one of the complimentary ID Badges for the Dwelling Unit, the ID Badge shall be designated to expire at the end of the lease term. If the lease is extended, the renter must turn in an executed copy of a valid lease extension and pay the related ID Badge renewal fee to renew the ID Badge(s).
- c. Renters and other non-Member Occupants presenting valid ID Badges or Guest of Badges, including Guest of Cards, have all privileges associated with membership except the right to vote in Community Association affairs, to serve on any Community Association advisory committee, or to be elected to the Board of Directors.

B. Guest Activity Passes (“Guest Passes”)

1. General. Each Dwelling Unit receives 48 complimentary Guest Passes each year, which enable the guests of a Qualified Occupant holding a valid ID Badge to use the Community Association’s facilities. Renters receive 24 complimentary passes a year. Guest Passes are valid during the then-current calendar year and expire at the end of the year.

Guest Passes are issued electronically at the Social Center Member Services desk and at the Fitness Center. Additional Guest Passes may be purchased by the holder of a valid ID Badge at the Community Association’s office for a fee set by the Board. Single-day Guest Passes may be purchased by the holder of a current ID Badge at the Fitness Center for a fee set by the Board.

2. Requirements of use. All Guest Passes, whether annual or daily, are non-transferable. If the facility being accessed is attended by Community Association staff, a Resident must accompany the Guest and Sign them in to the register, present their ID Badge and have a Guest Pass redeemed for each guest entering the facility. This process is required each day a guest enters the facility but only once per day. The Resident does not have to stay with the guest after signing them in if the guest is an adult. If the facility is unattended, the guest must have the Resident ID badge on his or her person at all times while using that facility and present it to any requesting staff member.

C. ID Badges Issued to the Declarant

The Declarant has the right to receive ID Badges from the Community Association as specified in Section 13.1 of the Declaration.

D. Temporary ID Badges

As is provided in Section 13.1 of the Declaration, the Board may issue Temporary ID Badges to a Person who has signed a binding contracts to purchase a Lot and who, upon closing the purchase, will meet the requirements of an Age-Qualified Occupant, subject to the following restrictions:

1. Requirements. A Person qualified to receive a Temporary ID Badge shall be entitled to receive one (1) such badge upon presentation at the Community Association office of a valid and binding contract to purchase a Lot, proof of appropriate age, and a completed application form for such badge. The applicant must additionally pay at the time of issuance a fee equal to the Base Assessment levied against the Lot for the period that the badge is valid or for two months, whichever is greater.
2. Related rights. A Temporary ID Badge shall vest in the holder all the rights associated with an ID Badge issued to a renter (e.g., the holder cannot vote on Community Association matters or serve as a director or committee member), with the exception that the holder is not entitled to receive annual golf or trail passes or to receive Guest Cards. A Temporary ID Badge shall be valid only from the date of issue until the date that the Lot purchase is closed or the sales contract is terminated, whichever is earlier. In no event shall a Temporary ID Badge be valid for more than 90 days after the date of issue.
3. Surrender. A Temporary ID Badge must be surrendered to the Community Association once it has expired and prior to the Community Association being obligated to issue permanent ID Badges or Guest Cards for the Lot and Dwelling Unit in question.

8. The Property and Grounds Committee shall review and process request for termination of a Pocket Park Agreement, and at the completion of its review and documentation work shall send any recommendations for termination of a Pocket Park to the CA Board of Directors for approval.
9. If one or more members of the neighborhood group decide to discontinue involvement in the Pocket Park, then the remaining members must either absorb the additional workload and cost of maintaining the Pocket Park in accordance with the Pocket Park Agreement or request to terminate the Pocket Park Agreement.

12. Trees and shrubs outside the Pocket Park itself but in the Pocket Park area prior to approval will not be damaged or removed without written permission from the CA staff and approval by the Property and Grounds Committee. All trees or shrubs including any approved additions within the approved Pocket Park will be maintained by the neighborhood group to ensure proper growth.
13. The CA Board of Directors may terminate a Pocket Park Agreement. This action may be taken in the event the neighborhood group requests termination or fails to comply with the provisions of these Rules, or specified in the Pocket Park Agreement or subsequent changes in these Rules by the CA Board of Directors.

14. All items placed in the Pocket Park become the property of the CA; however, the CA does not accept any responsibility for maintaining any items placed therein by the neighborhood group.

15. The CA may remove and dispose of any equipment, tree, or shrub within a Pocket Park that has deteriorated or become unsightly. The CA is not required to replace any item or plant removed or to provide any compensation for the removal.

XI. Enforcement Policy

Summary of Enforcement Policy

1. Send Courtesy Warning Letter (optional)
2. Send 209 Violation Notice (In accordance with Texas Property Code Ch. 209)
3. Levy fines and/or damage assessments as appropriate
4. Subsequent Violation Notices (optional)

The Board may vary from this policy on a case-by-case basis so long as the enforcement process meets state law requirements. Variances may include sending no Courtesy Warning Letter, sending more than one, and/or setting fines at levels other than as indicated on the Standard Fine Schedule.

1. **Types of Violations and Acts Covered.** The Board has adopted this policy to address situations where an owner has committed or is responsible for a violation of the governing documents other than by failing to pay assessments or other sums due to the Association. Delinquency violations are handled by an alternate process. This policy

also covers situations where an owner or someone the owner is responsible for has damaged Association property.

2. **Violation Notices.**

i. Courtesy Warning Letter (optional). At the sole option of the Board, compliance committee, or management professional, the Association may send a Courtesy Warning Letter.

ii. 209 Violation Notice. If a violation is not cured in response to any Courtesy Warning Letter or if a Courtesy Warning Letter is not sent, the Board, manager, or compliance committee in addition to all other available remedies, may:

A. Send a certified warning letter noting a possible fine and/or other remedy.

*If the violation is curable, any fine will levy if the violation is not cured by a stated deadline.

*If the violation if an incurable or health/safety violation, the fine will levy immediately.

*Other remedies include suspending common area usage rights and assessing a damage assessment.

Any such action shall be initiated by sending a 209 Violation Notice to the owner in accordance with state law.

iii. Subsequent Violation Notices for continuing or repeat violations. If an owner has been sent a 209 Violation Notice for a particular violation and the same violation continues or a similar violation is committed within six months of the 209 Violation Notice, the Association may levy additional fines either with or without notice to the owner. If it desires to send notice of additional fines, the Association shall do so by means of a Subsequent Violation Notice. A Subsequent Violation Notice may be of any form and sent in any manner, as by law such notices are not required to comply with Section 209 of the Texas Property Code, including the requirements set forth in Section 2(ii) above.

3. **209 Violation Notices – Curable vs. Uncurable Violations.**

i. Curable Violation. Curable violations are those that are ongoing or otherwise can be remedied by affirmative action. The following is a non-exhaustive list of curable violations: ongoing parking violations; maintenance violations; failing to construct improvements or modifications in accordance with approved plans and specifications; and ongoing noise violations such as a barking dog.

ii. Uncurable Violation. Uncurable violations include those that are not of an ongoing nature, involve conditions that otherwise cannot be remedied by affirmative action, and those that pose a threat to public health or safety. The following is a non-exhaustive list of uncurable

violations: shooting fireworks, committing a noise violation that is not ongoing, damaging common area property, and holding a prohibited gathering.

4. **209 Violation Notices -- When a fine or damage assessment may be levied; Board hearings.**

- i. Curable Violations – Initial Fine. If an owner is sent a 209 Violation Notice for a curable violation and cures that violation by the deadline in such notice, any fine noted in the 209 Violation Notice shall not be levied. If the owner fails to cure the violation by the deadline, any fine noted in the 209 Violation Notice shall be levied after the time has lapsed for the owner to request a Board hearing, or, if a hearing is timely requested, after the date the hearing is held and a decision is made to uphold the fine.
- ii. Uncurable Violations – Initial Fine/damage assessment. A fine or property damage assessment may be imposed in a 209 Violation Notice for an uncurable violation, regardless of whether the owner subsequently requests a Board hearing.
- iii. Subsequent Fines. This Section 4 does not apply to fines levied after the initial fine. (See Section 2(iii) – Subsequent Violations, above.)

5. **Categories of Violations; Standard Fine Schedule.** The general categories of violations for which the Association may levy fines are the Declaration, Bylaws, Rules and policies, including design guidelines, Articles of Incorporation, and any amendments to the foregoing documents.

Below is the Standard Fine Schedule for violations. *The Board and/or Covenants Committee may vary from this schedule on a case-by-case basis (i.e., set fines higher or lower than indicated below). All fine amounts in the Standard Fine Schedule **are daily, weekly, or one-time** fines, per the Board and/or Covenant Committee's discretion. Any mailing or transaction fee may be applied and shall be considered part of the fine, in addition to the amounts below:*

- i. Curable Violations.
 - A. Courtesy Warning Notice: No fine.
 - B. 209 Violation Notice: \$25.00 fine; and/or
suspension of common area usage rights if violation
note cured by stated deadline
 - C. Subsequent Violation Notices: \$50.00 fine;
\$100.00 fine;
\$125.00 fine;

(Increases \$25.00 for each additional notice).

ii. Uncurable Violations.

A. 209 Violation Notice: \$50.00 fine; and/or
Property damage assessment.

B. Subsequent Violation Notices: \$75.00 fine;
\$100.00 fine;
\$125.00 fine;

(Increases \$25.00 for each additional notice).

6. **Hearings.** If an owner receives a 209 Violation Notice and requests a hearing in a timely manner, that hearing shall be held¹. Hearings may be held at the election of the Board, management or Covenants Committee either in person or virtually. The Board may impose rules of conduct for the hearing and limit the amount of time allotted to an owner to present his information to Covenants Committee or the Board. The Covenants Committee or the Board may either make its decision at the hearing or take the matter under advisement and communicate its decision to the owner at a later date. If a hearing is held before the Covenants Committee, the owner shall have the right to appeal the decision to the Board, pursuant to Section 3.29(d) of the Bylaws.
7. **Authority of agents.** The management company, Association attorney, Covenants Committee, and other authorized agents of the Association are granted authority to send violation notices, levy initial or subsequent fines according to the Standard Fine Schedule, levy property damage assessments, and levy enforcement costs, all in accordance with this Enforcement Policy. Such parties are also authorized to cure violations on any lot and assess costs incurred to the lot owner, pursuant to Sections 6.2 and 8.9 of the Declaration. Such parties may act without any explicit direction from the Board and without further vote or action of the Board. The enforcing party shall communicate with the Board and/or certain designated officers or agents on a routine basis with regard to enforcement actions. The foregoing notwithstanding, the Board reserves the right to make decisions about particular enforcement actions on a case-by-case basis at a properly noticed meeting if and when it deems appropriate.
8. **Future changes in state law.** This Deed Restriction Enforcement Policy is intended to reflect current state law requirements, including those established under Section 209 of the Texas Property Code. If such laws are changed in the future, this policy shall be deemed amended to reflect such changes.

¹ See end of this section for Property Code section 209.007 hearing provisions at the time this rule was filed of record.

9. **Owners as Responsible Party.** If the owner, a family member, guest, tenant or invitee of an owner damages Association property or commits a violation of the Association's governing documents, the related enforcement action shall be taken against the owner, with all related damage assessments, fines, legal fees, and other charges levied against that owner and the related lot.
10. **Unpaid amounts.** Unless otherwise determined by the board, accounts with delinquencies of more than 90 days will be referred to Association legal counsel for collection. Upon such referral legal counsel is authorized to take whatever action necessary to collect the amounts due including without limitation demand letters, lien filing, and foreclosure action, and in the event of bankruptcy, appropriate filings and motions and monitoring to protect the Association's interest.

TEXAS PROPERTY CODE §209.007

Sec. 209.007. HEARING BEFORE BOARD; ALTERNATIVE DISPUTE RESOLUTION.

- (a) Except as provided by Subsection (d) and only if the owner is entitled to an opportunity to cure the violation, the owner has the right to submit a written request for a hearing to discuss and verify facts and resolve the matter in issue before the board.
- (b) Repealed by Acts 2021, 87th Leg., R.S., Ch. 951 (S.B. 1588), Sec. 22(2), eff. September 1, 2021.
- (c) The association shall hold a hearing under this section not later than the 30th day after the date the board receives the owner's request for a hearing and shall notify the owner of the date, time, and place of the hearing not later than the 10th day before the date of the hearing. The board or the owner may request a postponement, and, if requested, a postponement shall be granted for a period of not more than 10 days. Additional postponements may be granted by agreement of the parties. The owner or the association may make an audio recording of the meeting.
- (d) The notice and hearing provisions of Section 209.006 and this section do not apply if the association files a suit seeking a temporary restraining order or temporary injunctive relief or files a suit that includes foreclosure as a cause of action. If a suit is filed relating to a matter to which those sections apply, a party to the suit may file a motion to compel mediation. The notice and hearing provisions of Section 209.006 and this section do not apply to a temporary suspension of a person's right to use common areas if the temporary suspension is the result of a violation that occurred in a common area and involved a significant and immediate risk of harm to others in the subdivision. The temporary suspension is effective until the board makes a final determination on the suspension action after following the procedures prescribed by this section.
- (e) An owner or property owners' association may use alternative dispute resolution services.
- (f) Not later than 10 days before the association holds a hearing under this section, the association shall provide to an owner a packet containing all documents, photographs, and communications relating to the matter the association intends to introduce at the hearing.
- (g) If an association does not provide a packet within the period described by Subsection (f), an owner is entitled to an automatic 15-day postponement of the hearing.
- (h) During a hearing, a member of the board or the association's designated representative shall first present the association's case against the owner. An owner or the owner's designated representative is entitled to present the owner's information and issues relevant to the appeal or dispute.

XII. Transfer Fees

1. Transfer Fees. In addition to fees for issuance of a resale certificate and any updates or re-issuance of the resale certificate, transfer fees are due upon the sale of any property in accordance with the then-current fee schedule, including any fee charged by the Association's managing agent. It is the owner/seller's responsibility to determine the then-current fees. Transfer fees not paid at or before closing are the responsibility of the buyer and will be assessed to the buyer's account accordingly. The Association may require payment in advance for issuance of any resale certificate or other transfer-related documentation.

If a resale certificate is not requested and a transfer occurs, all fees associated with Association record updates related to the transfer will be the responsibility of the new owner and may be assessed to the owner's account at the time the transfer becomes known. These fees will be set according to the then-current fee schedule of the Association or its managing agent and may be equivalent to the resale certificate fee or in any other amount.

The Association's fee schedule may include (without limitation) fees related to issuance of a resale certificate, questionnaires requested from lenders/title companies, statements of account, resale certificate updates, working capital fee due at closing, or other such fees.

Transfer fees include a fee based on the sales price of the Lot, pursuant to Article XIX of the Declaration. For purposes of this provision, the sales price of the Lot shall be deemed to be the Contract Sales Price as listed on the final HUD-1 settlement statement associated with the Lot closing. **Owner shall cause the title company for the sale to provide directly to the Association, at least three business days prior to the closing of the sale,** confirmation of the Contract Sales Price on the final HUD-1 of the sale, with confirmation that such amount accurately represents that Contract Sales Price that will be listed on the final HUD-1 for the sale, and is not subject to change.

Owner/transferor shall be legally responsible for paying this transfer fee. In the event that the transferor fails to pay such transfer fee, the transferee shall be jointly and severally liable for payment of the transfer fee, and such transfer fee may be charged to the transferee as a Benefitted Assessment, per Declaration Article XIX. Failure of Owner/transferor to cause the title company to provide the Association the information required herein in a timely manner may result in daily fines being assessed against the Lot, in the amount of \$100 per day, accruing for each day that the information is not provided past the deadline to provide it. In the event that a sale is not closed through a title company, Owner/transferor must provide other written evidence of sales price in a form acceptable to the Association in its sole discretion.

XIV. Assessment Collection Policy

1. **PURPOSE:** The Board desires to adopt a standardized Assessment Collection Policy to set forth its determinations on such issues.
2. **SCOPE:** This policy applies to all “**Members**” of the Association, said Members having a contractual obligation to pay “**Base Assessments**”, “**Neighborhood Assessments**”, “**Special Assessments**” and “**Benefited Assessments**” (collectively, the **Assessments**) and other charges to the Association under the deed restrictions for Sun City Texas, including the most current Amended and Restated Declaration of Covenants, Conditions and Restrictions for Sun City Texas (the **Declaration**).
3. **DEFINITIONS:** Definitions for quoted terms can be found in Article II of the **Declaration**.
4. **REPOSIBILITY:**
 - 4.1. The Executive Director (Responsible Party) shall be responsible for reviewing, updating and recommending to the Board changes and amendments to this policy for the Board’s review and approval including answering questions of interpretation.
 - 4.2. The Executive Director or the Director of Finance and their designees shall be responsible for implementing, enforcing and administering this policy.
5. **THE POLICY:**
 - 5.1. **Introduction:** Sun City Texas is a vibrant and active community of residents, all of whom moved to Sun City Texas, at least in part, to enjoy the vast array of facilities and services provided and maintained by Sun City Texas Community Association, Inc. (the “**Association**”). The Association’s primary source of income is Member-paid Assessments, and without such income the Association cannot provide and maintain the facilities and services that are critical to the quality of life of Sun City Texas residents and the protection of property values. The Association has experienced, and expects to continue to experience, situations in which Members are delinquent in their obligation to pay Assessments. Therefore the Board has adopted, and by these presents does hereby adopt, the Assessment Collection Policy set forth below.
 - 5.2. **Assessment Billing Cycles**
 - 5.2.1. **Base Assessments and Neighborhood Assessments.** “**Base Assessments**” and “**Neighborhood Assessments**” are billed prospectively. Current Members are billed for the full calendar year, with new Members billed pro-rata from the date of purchase.
 - 5.2.2. **Special Assessments and Benefited Assessments.** “**Special Assessments**” and “**Benefited Assessments**” (defined to include fines, damage assessments, and violation enforcement costs) are billed on an as-needed basis and in accordance with the governing documents.

5.2.3. Other amounts due, such as late fees and interest, are due in accordance with the governing documents.

5.3. Due Dates; Payments. All Assessments and other amounts owing to the Association are due within 30 days of the date the related invoice is sent to the Member, with the following exceptions:

5.3.1. Base Assessments and Neighborhood Assessments. Base Assessments and Neighborhood Assessments are due in full on January 1 of each year, except when an Owner elects to setup an automatic bank draft to make such payments in monthly or quarterly installments under paragraph 5.3.2 below.

5.3.2. Automatic Bank Drafts. For Members who elect to pay their Base Assessments and Neighborhood Assessments by means of automatic bank drafts on a monthly or quarterly basis, the related Assessment is due on the first business day of the related month or quarter.

5.3.3. Failed Payments. Checks returned for insufficient funds, dishonored automatic bank drafts, or other similar situations where a payment fails to process will result in the assessment of a fee determined by the board from time to time, in the minimum amount of \$30. Late fees shall also be assessed as appropriate.

5.4. Delinquency. Any Assessment or other amount due not paid within 30 days of its due date shall be deemed Delinquent. Delinquencies shall be handled as follows:

5.4.1. Interest; Late Fees. Delinquencies shall be charged interest on the sum owing at the rate of 1.25% per month, compounded monthly, until paid in full. A delinquent Owner may also be charged a monthly late fee to offset the administrative cost of dealing with the delinquent account. The amount of the Late Fee may be set from time to time by the Board.

5.4.2. Delinquency Notices. Once an Assessment or other amount due becomes Delinquent, the Association, acting through its Director of Finance or some other Board designee, shall:

5.4.2.1. First Notice. Either (i) mail a notice of delinquency by first class mail to the Member's last known mailing address per Association records; or (ii) email a notice of delinquency by email to an email address the Member has provided to the Association.

5.4.2.2. Second Notice. If payment in full is not made within 30 days of the mailing of the First Notice, mail a written notice to the related Member reminding him or her of the amount owed and requiring that it be paid within 45 days. Such Delinquency Notice shall be sent certified mail, return receipt requested and otherwise shall comply with the requirements of Texas Property Code §209.0064.

5.4.3. Formal Collection Action. If the Second Notice has been sent to an Owner and the Owner does not pay in full or arrange for payment in a manner approved by the Association within the 45-day period specified in that notice, the account shall be turned over to the Association's attorney to initiate formal collection action. Unless otherwise determined by the Board, all attorney collection action is pre-authorized,

including but not limited to sending a Fair Debt Collections Practices Act demand letter, filing of a Notice of Lien in the chain of title to the related “**Lot**”, and initiating and carrying out a foreclosure of the Association’s lien against the Lot, all in accordance with State law notice and procedural requirements.

- 5.4.3.1. Substitute Trustees.** In order to facilitate the timely processing of foreclosure postings, if any, the Board hereby appoints any and all attorneys, employees and agents of Niemann & Heyer, L.L.P., to serve as substitute trustees for the purpose of foreclosing the Association’s lien against a Lot.

5.5. Miscellaneous.

- 5.5.1. Delinquency Report.** The Director of Finance shall prepare, and the Board shall review, at least quarterly, a Delinquency Report showing the status of all Member accounts with Assessments that are Delinquent by more than 30 days (i.e., more than 60 days have passed since the due date).

- 5.5.2. Conflicts.** To the extent that this Assessment Collection Policy may conflict with the Declaration, federal law or State law, the controlling priority shall be as follows: federal law, State law, Declaration, Assessment Collection Policy.

- 5.5.3. Authority to Vary from Policy.** In handling any particular Delinquent Assessment, the Board of Directors retains the authority to vary from this Assessment Collection Policy as may be appropriate given the particular facts and circumstance involved, so long as the related action is in compliance with the Declaration and State law.

6. Payment plans.

- 6.1. Effective date.** Notwithstanding any language to the contrary and regardless of date of adoption of these rules, the effective date of this Section relating to payment plans is January 1, 2012.

6.2. Eligibility for Payment Plan.

- a. **Standard Payment Plans.** An Owner is eligible for a Standard Payment Plan (*see* Rule (6.3) below) *only* if:

- 1) The Owner has not defaulted under a prior payment plan with the Association in the prior 24-month period;
- 2) The Owner requests a payment plan no later than 45 days after the Association sends notice to the Owner via certified mail, return receipt requested under Property Code §209.0064 (notifying the owner of the amount due, providing 45 days for payment, and describing the options for curing the delinquency). An Owner is responsible for confirming that the Association has received the Owner’s request for a payment plan within this 45-day period. It is recommended that requests be in writing; and
- 3) The Association receives the executed Standard Payment Plan and the first payment within 15 days of the Standard Payment Plan being sent via email, fax, mail, or hand delivered to the Owner.

b. Discretionary Payment Plans. An Owner who is not eligible for a Standard Payment Plan may still request that the Board grant the Owners Discretionary Payment Plan. Any such request must be directed to the person or entity currently handling the collection of the debt (i.e., Association staff or the Association's attorney). The decision to grant or deny a Discretionary Payment Plan, and the terms and conditions for any such plan, will be at the sole discretion of the Association's Board.

6.3. Standard Payment Plans. The terms and conditions for a Standard Payment Plan are:

- a. Term. Standard Payment Plans are for a term of 6 months. (See also paragraph 6.6 for Board discretion involving term lengths.)
- b. Payments. Payments will be made at least monthly and will be roughly equal in amount or have a larger initial payment. (Small initial payments with a large balloon payment at the end of the term are not allowed.) Payments must be received by the Association at the designated address by the required dates and may not be rejected, returned or denied by the Owner's bank for any reason (e.g., check returned NSF).
- c. Assessments and other amounts coming due during plan. The Owner will keep current on all additional assessments and other charges posted to the Owner's account during the term of the payment plan, which amounts may but need not be included in calculating the payments due under the plan.
- d. Additional charges. The Owner is responsible for reasonable charges related to negotiating, preparing and administering the payment plan, and for interest in the amount of 1.25% per month, all of which shall be included in calculating the total amount due under the plan and the amount of the related payments. The Owner will not be charged late fees or other charges related to the delinquency during the time the owner is complying with all terms of a Standard Payment Plan.
- e. Contact information. The Owner will provide relevant contact information and keep same updated.
- f. Additional conditions. The Owner will comply with such additional conditions under the plan as the Board may establish.
- g. Default. The Owner will be in default under the plan if the Owner fails to comply with any requirements of these rules or the payment plan agreement.

6.4. Account Sent to an Attorney/Agent for Formal Collections. Once an account is sent to an attorney or agent for collection, the delinquent Owner must communicate with that attorney or agent to arrange for payment of the debt. The decision at that point to grant or deny the Owner a Discretionary Payment Plan, and the terms and conditions of any such plan, is solely at the discretion of the Board.

6.5. Default. If the Owner defaults under any payment plan, the Association may proceed with any collection activity authorized under the governing documents or state law

without further notice. If the Association elects to provide notice of default, the Owner will be responsible for all fees and costs associated with the drafting and sending of such notice. All late fees and other charges that otherwise would have been posted to the Owner's account may also be assessed to the Owner's account in the event of a default.

Any payment received during a time an Owner is in default under any payment plan may be credited toward any category of charges (e.g., assessments, legal fees, collection costs, late fees, interest charges, fines, etc.) in any order determined by the Association. The foregoing notwithstanding, such payments may only be credited to fines in proportion to the overall amount owing from the Owner (e.g., if the Owner pays \$100.00 and 10% of the overall amount owing consists of fines, then \$10.00 may be credited to fines).

6.6. Board Discretion. The Board may vary the obligations imposed on Owners under payment plans on a case-by-case basis, including curtailing or lengthening the payment plan terms (so long as the plan is between 3 and 18 months), as it may deem appropriate and reasonable. The term length set forth in paragraph 6.3 shall be the default term length absent Board action setting a different term length. No such action shall be construed as a general abandonment or waiver of these rules, nor vest rights in any other Owner to receive a payment plan at variance with the requirements set forth in these rules.

6.7. Legal Compliance. These payment plan rules are intended to comply with the relevant requirements established under Texas Property Code §209. In case of ambiguity, uncertainty, or conflict, these rules shall be interpreted in a manner consistent with all such legal requirements.
