From the Social Committee...

The July 23 “Christmas in July” themed dinner was cancelled due to low registration.

It is with great disappointment that the registration for this event (as well as past events) has been less than 10% of the neighborhood. Cancelling events is not a choice the Social Committee desires to make; however, the time devoted to yearly planning, scheduling rooms, obtaining/creating entertainment, setting up and tearing down before and after events is not worth the hours of effort if more neighbors are not willing to participate. As noted in the past, rooms are hard to come by and if N48 requests a room and ends up cancelling, it is less likely for N48 to obtain rooms when requested in future years. The rooms are given to neighborhoods who better utilize them.

Please keep in mind that if attendance for all events continues to decrease, N48 may not have a Social Committee to coordinate events; however, we’re hoping it does not get to this point. If N48 wants fun activities to do, then it is necessary for neighbors to participate. We are lucky to have a wonderful group of people working hard to keep us active and we’d love to see neighbors do their part in attending neighborhood events on a more frequent basis.

Should you have suggested activities in which you would like to participate, please inform your current Social Committee Co-Chairs (Judie Ard or Judy Hofer) or Rebecca Moore who maintains a spreadsheet of N48 requested activities.
